

The Nakkertok Enduro

March 30, 2019

Come to Nakkertok South for the final Nakkertok event of the season to test yourself, or your team, against the clock. Ski as many loops as you can within 6 hours. The Nakkertok Junior Development Team will organize this event, with proceeds of the race going to support our junior and senior men and women.

Race Format: Mass start of all solo skiers, and first members of 2 or 4-person teams. Start to be self-seeded. After each lap, those skiers who are part of teams will tag off to the next member on their team. Make sure the lap counters in the transition area can see your bib number each time you go through. Team members can, with the consent of the team, on any chosen turn, opt to ski more than just one lap before handing off to the next team member. If you don't want to stay for the entire 6 hours, stay as long as you like. All kids under 10 must have a responsible adult present at the event (adult does not have to ski).

Technique: Freestyle. We will try to groom one classic track.

Who: Everyone is welcome to participate, whether you've raced before or only ever watched your kids or friends race.

When: Saturday, March 30, 2018. Event starts at 9:15am and ends at 3:15pm.

Bib Pick Up: Bibs can be picked up in the Chalet from 8:00-10:00am. Please arrive early to ensure the event starts on time.
